4. (Internal Use Only -JGO) Delivered copies of the transcript of the Director's briefing on Thursday to the House Appropriations Committee for use during the day and received them back for safekeeping by the Agency. Arrangements were made to relay requests of Committee members for review of the Thursday and Friday testimony of the DCI to Mr. O'Neill. There is some indication that Mr. Sikes and possibly another member might desire to review the transcripts on Saturday or Sunday.

5. (Secret - GLC) Hand carried to Bill Woodruff, on the staff of the Senate Appropriations Committee, a list of the problems which would be created for the Agency by S. 782. Woodruff said this was just what he needed for the preparation of a memorandum to Senator Russell on the subject in anticipation of the Director's meeting with the Senator on Monday. Woodruff said he had heard nothing from NSA about the bill this year and wondered if they still had problems with it. I assured him that NSA was as concerned about the bill as we were but in view of their consideration on the Pueblo matter, had probably been unable to pursue the S. 782 problem as much as they would like.

In my presence, Woodruff placed a call to [redacted] Comptroller, NSA, and asked for NSA's position on the bill. Shortly thereafter, [redacted] Legal Counsel, NSA, called and confirmed what I had said to Woodruff to the effect that NSA is opposed to the bill and desires a flat exemption from it.

8. (Secret - JGO) Met with Mr. Kenneth Sprankle, Staff Director, House Appropriations Committee, who had received a call during the day from Frank Sanders, Assistant Secretary of Navy, concerning security clearances granted during his tenure with the Committee. Mr. Sprankle observed that in all probability Mr. Sanders would need continuation of clearances since he would be operating in almost the same sphere as he was while with the Committee. Mr. Sprankle will review the matter with AEC. This office will handle the matter directly with the Department of Navy as regards compartmented clearances.

9. (Confidential - JGO) Met with Mr. Robert C. Nicholas III, Military Construction Subcommittee, House Appropriations Committee, and received necessary biographical information for security processing. Mr. Nicholas now holds the staff position formerly held by Frank Sanders.

This apparently is in connection with a speech that Senator Jackson will be giving shortly. [redacted] DD/I, is working on the requirement.
